In the event of such permission not being applied for or not being granted, the Clearing Corporation shall forthwith determine all outstanding obligations by closing out against the deceased CM clearing member. The loss, if any, on such closing-out shall be claimed from the heirs or legal representatives of the deceased CM clearing member and the profit, if any, shall be paid to them

with the prior approval of the relevant authority. If the heirs or legal representatives of the deceased CM clearing member fail to pay the amount claimed from them, it shall be deemed that such deceased CM clearing member has been declared a defaulter and in that event the Bye Laws and Regulations relating to default shall apply.

10.8 Compliance Before Closing-Out

If the CM clearing member against whom closing-out is to be effected tenders compliance in accordance with the provisions of the Bye Laws and Regulations relating to delivery, payment and settlement of settlement obligations and deals or the terms and conditions subject to which the deal has been made at any time before the deals have been actually closed out, the relevant authority may accept the same in fulfillment of his obligations. This will not relieve the CM clearing member in default of the obligation to pay any resulting damages and other penalties and interest charges imposed by the Clearing Corporation on such default.

10.9 Closing-Out How Effected

Closing out shall be effected against the CM clearing member by the Clearing Corporation in any of the following manners:

In the event of the relevant authority not deciding the price, the deals shall be deemed to be closed-out at a price which is not less than the highest price touched at any time in the preceding six months. This price shall be paid to the CM clearing member entitled to the security to be bought-in.

10.13 Deferment By The Relevant Authority

The relevant authority may defer closing-out in any particular case if in its opinion a fair market to close-out is not available or if it is satisfied that the securities are out of the control of the seller for payment of calls, receipt of interest, dividends, bonus, rights or if it determines that the default is due to the existence of a special situation but no such deferment shall relieve the CM clearing member in default of the obligation to pay for any resulting damages or free the intermediate parties of their liabilities.

10.14 Suspension Or Postponement Of Closing-Out

The relevant authority may suspend or postpone closing out in respect of any deals and from time to time extend or postpone the period of such suspension or postponement when circumstances appear in its view to make such suspension or postponement desirable in the general interest. The liability of intermediaries in respect of deals in such securities settled through the Clearing House or Depository Clearing System, as the case may be, shall continue during the period of such suspension or postponement.

10.15 Securities Bought-In But Undelivered

If securities are bought-in but not delivered as per the schedule for buying-in, it will be deemed as if the buying-in did not go through and the deals shall be deemed to be closed-out at such price as the relevant authority may decide from time to time. In the event of the relevant authority not deciding the price, the deals shall be deemed to be closed-out at a price which is not less than the highest price touched at any time in the preceding six months. This price shall be paid to the CM clearing member entitled to the security to be bought-in.

10.16 Closing-Out Against Defaulter
