ITEM 6: PROCEDURE FOR PAY-IN AND PAY-OUT OF SECURITIES

In pursuance of Regulation 6.12 & 6.14 of Capital Market Regulations, the provision relating to pay-in and pay-out of securities by the Clearing Corporation are hereby specified as under:

6.1. Pay-in of securities

Pay-in shall be conducted on the scheduled pay-in day, in accordance with the settlement calendar periodically issued by the Clearing Corporation in this regard. Members shall maintain settlement accounts at both depositories viz. NSDL and CDSL and provide specific pay-in instructions to depositories for effecting pay-in

6.1.1. Auto Delivery Out

For pay-in through NSDL / CDSL a facility has been provided to members wherein delivery-out instructions will be generated automatically by the Clearing Corporation based on the net delivery obligations of its Clearing Members. These instructions will be released on the T+1 day and the securities in the Clearing Members' pool accounts will be marked for pay-in.

Clearing members desirous of availing this facility shall send a letter in the format provided in **Part C (3) Format of letter for Auto Delivery Out**.

6.1.2. Early pay-in of securities

Clearing Corporation provides a facility to members to make early pay-in of securities through NSDL and CDSL. Details for making early pay-in are provided in **Item 9**.

6.2. Pay-out of Securities

Pay-out shall be conducted on the scheduled pay-out day, in accordance with the settlement calendar issued periodically by the Clearing Corporation. Pay-out shall be to the member's pool account.

6.2.1. Direct pay-out to Beneficiary Account

A facility is provided to the members to directly credit the pay-out to investor's beneficiary account. Clearing members shall provide a file to Clearing Corporation for effecting pay out to investors' accounts for a particular settlement type and settlement number. Clearing members have to mention the beneficial owner's account number entitled to receive the pay-out of securities. The direct pay-out of securities can be credited to the client's account regardless of the depository in which the securities pay-in is received. In case of a shortage, the quantity credited to the client account will be to the extent of net pay-out received by the clearing member. Clearing members shall provide a file to Clearing Corporation for effecting pay out to client's accounts as detailed in **Part C (4) Direct Payout to Investors Account**.

The clearing member can provide own settlement account details if the clearing member intends to receive full or part pay-out of securities, which is not identified for direct client account pay-out, in the settlement account with specific depository. This information can be provided in the same file. The clearing member shall provide depository participant ID and depository participant client ID if the settlement account is with NSDL or CM Settlement account number if the settlement account is with CDSL.

The direct pay-out instructions uploaded by a clearing member will be considered for the particular settlement day only for which the file is uploaded. Any release of pay-out done subsequent to the settlement day as specified above, will be to the pool account of the clearing member

6.2.2. Securities Payout to Members Preferred Depository

In addition to the direct delivery of securities to the client account, members also have a facility to receive their payout in their preferred depository.

Members have a facility of preferred depository wherein payout receivable by members can be credited to the specified pool account in either of the depositories viz. NSDL or CDSL.

Members are requested to take note of the following:

1. The securities payout shall be after giving effect to any client direct payout instructions which may have been provided by clearing members for the respective security for the respective settlement. In the event of a failure of a client payout instruction at the depository, the payout shall be effected to the respective depository pool account.
2. Members shall ensure that they get their account details updated in case of shifting /change of account etc. to ensure that the payout happens to the preferred depository pool account.
3. Members may avail the said facility by providing details in the form of a letter as enclosed in **Part C (5)** Direct Payout to Investors Account along with the client master report of the respective depository pool account. Also, the same letter has to be provided in case of closure of the said preferred depository pool account along with the client master report of the respective depository pool account.
4. Members may take note that they shall continue to maintain pool accounts in both the depositories viz. NSDL and CDSL.

ITEM 7: AUCTION AND CLOSE OUT

In this case the process for acceptance of G-Sec/ T-Bills/SGB as collaterals is similar to acceptance of corporate bond as collateral as mentioned in point 8.2.5
- viii. G-Sec/T-Bills shall be valued daily based on previous day's MTM prices as specified by CCIL. SGBs shall be valued based on the closing price of the same on the Exchange
- ix. A hair cut shall be applied on the value of G-Sec/T-bills/SGB provided as collateral by the member. The value after applying the hair cut shall be added to the cash component of the liquid assets of the member. The hair cut shall be as under

Type and Tenor of Securities	Haircut
------------------------------	---------

Treasury Bills and Liquid Government of India Dated Securities having residual maturity of less than 3 years	2%
Liquid Government of India Dated Securities having residual maturity of more than 3 years	5%
For all other Semi-liquid and Illiquid Government of India Dated Securities	Minimum 10%

The list of approved G-Sec/T-Bills and applicable hair cut for the respective G-Sec/T-Bills shall be as per the Circular issued by Clearing Corporation for the respective month.

- x. Periodic coupon / Redemption payments received on the G-Sec/T-Bills/SGB provided by the member shall be passed on to the members by the Clearing Corporation immediately/next working day, upon receipt of relative interest from Reserve Bank of India.

8.2.5. Corporate Bonds

8.2.5.1. Eligible Corporate Bonds

Members are permitted to deposit corporate bonds as communicated to the members from time to time, in electronic form ('demat bonds')

The Clearing Corporation may revise the list of approved corporate bonds and, the haircuts from time to time. Members who have deposited corporate bonds which have been discontinued from the approved list, shall be required to take due care to replace such Corporate bonds.

The following corporate bonds shall not be accepted as liquid assets:

a) Corporate bonds issued by clearing member

b) Corporate bonds issued by associate of clearing member

For this purpose, 'associate' shall have the same meaning as defined under Regulation 2 (b) of SECC Regulations 2018

Corporate bonds shall be treated as part of the non-cash component of the liquid assets of the clearing member

The valuation of the Corporate Bonds and haircut applicable shall be in accordance with the norms prescribed by the Clearing Corporation from time to time. The value of the Corporate Bonds shall be reduced by such haircut.

The corporate bonds shall be valued on daily basis on closing price of the bond listed under cash or debt segment of Exchange or the valuation using yield from sovereign yield curve plus published by FBIL and credit spread published by FIMMDA, whichever is lower. A hair cut of 15% shall be applied on the value of corporate bond. The value of the corporate bonds shall be reduced by such haircut.

The total value of corporate bonds provided as noncash portion of the liquid assets shall not exceed 10% of the total liquid assets of the respective clearing member.

A report containing details of valuation for corporate bond shall be downloaded to member in CSV format in common folder of FTP. The report nomenclature will be "CB_Bhavcopyddmmyyyy.csv".

A report containing details of haircut for corporate bond shall be downloaded to member in CSV format in common folder of FTP. The report nomenclature will be “CB_Haircut_ddmmyyy.csv”.

8.2.5.2. Marking of pledge

Members may provide demat corporate bonds by marking a pledge of the corporate bonds in favour of the Clearing Corporation. The member shall be required to submit all such documents as may be required by the clearing corporation from time to time including the Deed of Pledge as per the specified format as mentioned in **Part C (19)** Format of deed of pledge.

8.3. Releases of Liquid Assets

Member may request the Clearing Corporation to release deposits held by the Clearing Corporation. Such requests may be considered by the Clearing Corporation if the Clearing Corporation chooses not to exercise its lien pursuant to the Rules, Byelaws and Regulations and subject to availability after due adjustments for the due fulfilment of all obligations and liabilities arising out of or incidental to any contracts entered into by such member and subject to the bye laws, rules and regulations of the Clearing Corporation or anything done in pursuance thereof.

The web based facility NMASS is provided for submission of release requests of collaterals. The members may select the desired available collaterals for release. Release requests though NMASS can also be placed using a file upload facility. The format of file is prescribed in **Part C (20)**.

8.4.1 Release of collateral

The timeline for release of various other forms of collaterals shall be as under

ITEM 9: MARGINS

In pursuance of Chapter VI(B) of the Bye Laws pertaining to Clearing and Settlement of deals and Chapter VIII of the Bye Laws pertaining to Margins, the following are prescribed for members :

9.1. Overview:

SEBI vide their circular CIR/MRD/DP/27/2013 dated September 12, 2013 has stipulated the revised framework of risk management in the Debt segment.

The core of the risk management system is the liquid assets deposited by members with the Exchange/Clearing Corporation. These liquid assets shall cover the following margin requirements for debt securities:

- a. Initial Margin (IM)
- b. Extreme Loss Margin (ELM)

The liquid assets as of the member (as mentioned in **Item 8**) at all points of time shall be adequate to cover all the above requirements.

9.2. Margins:

9.2.1. Initial margin

Initial margin shall be based on a worst case loss of a portfolio of an individual client across various scenarios of price changes so as to cover a 99% VaR over one day horizon.

- The minimum initial margin for bonds shall be 2% for residual maturity up to three years, 2.5% for residual maturity above three years and up to five years; and 3% for maturity above five years.
- Initial Margin applicable on Central Government Securities in Retail Platform shall be 5%.

Initial margin shall be payable on all open positions of Clearing Members, upto client level, and shall be payable upfront by Clearing Members in accordance with the margin computation mechanism and/ or system as may be adopted by the Clearing Corporation from time to time.

Clearing Corporation shall adopt SPAN® system for the purpose of real time initial margin computation.

Loss numbers shall be computed for each debt security by applying the applicable margin rate to the last traded price of the debt security expressed in terms of clean price i.e. without taking accrued interest into account.

9.2.2. Extreme Loss Margin (ELM)

The ELM shall cover the expected loss in situations that go beyond those envisaged in risk estimates used in the initial margins.

- The ELM for any bond shall be 2% of the last traded price expressed in terms of clean price. It would be deducted upfront from the total liquid assets of the member.
- There shall be no ELM applicable on Central Government Securities in Retail Platform.

9.2.3. Intraday Crystallised Mark to Market Losses

Clearing Corporation shall calculate and levy the Intraday Crystallised Mark to Market Losses (ICMTM) in the following manner:

- ICMTM shall be computed for all trades subject to upfront margining which are executed and closed out on the same trading day.
- ICMTM shall be calculated based on weighted average prices of trades
- ICMTM shall be adjusted against the liquid assets of the member on a real time basis.
- Crystallised losses at a security level for a client shall be adjusted against the crystallised profit, if any, from another security for the same client to arrive at client level profit or loss. However there will be no setoff against ICMTM profits across two rolling settlements.
- All client level losses including losses on proprietary positions if any shall be grossed up to arrive at member level ICMTM.
- ICMTM so blocked/ collected shall be released on completion of pay-in of the settlement/ early pay-in of settlement.

9.3. Collection of Margin:

- The Initial and Extreme loss margin shall be collected on an upfront basis by adjusting against the total liquid assets of the member at the time of trade.
- The Initial and Extreme loss margin shall be collected on the gross open position of the member. The gross open position for this purpose would mean the gross of all net positions across all the clients of a member including its proprietary position.
- For this purpose, there would be no netting of positions across different settlements.
- SPAN files shall be generated based on the prices at 11.00 a.m., 12.30 p.m., 2.00 p.m., and 3.30 p.m. every day. Such intra-day SPAN files shall be used for margining of intra-day member positions. In addition to the above a SPAN file at end of day and begin of day shall be provided.
- The SPAN files shall be made available in the extranet server and to the public at large through the website
- The margin so collected shall be released on completion of pay-in of the settlement.
- The details of all margins will be downloaded to members in their respective extranet directory as Detailed Margin Report (MG02).

9.4. Exemption from Margins

Members shall give specific client-ISIN instructions separately for each trading member clearing through them for availing EPI of securities, as per format provided in **Part C (28)**. Positions for which early pay-in of securities is made shall be exempt from margin computation.

9.4.1. Procedure for making early pay-in of shares

Members can make the early pay-in of securities through either of the depositories viz. NSDL and CDSL.

In NSDL, members shall deliver the securities to their CM Pool Account and execute irreversible delivery out instructions through their Depository Participant, for the particular settlement.

In CDSL, members have to open separate early pay-in account with CDSL through NSCCL. Members shall be required to send a request for opening an early pay-in account to NSCCL in the format specified in **Part C (29)**.

Members are requested to contact their respective DP's for details on procedure to be followed for doing early pay-in at the depository.

9.5. Shortfall of Margins

In case of any shortfall in margin:

- The members shall not be permitted to trade with immediate effect.
- Penalty for violation on account of margin violation be levied as specified in **Item 10**

9.6. Effect of failure to pay margins

Non-payment of either the whole or part of the margin amount due will be treated as a violation of the Bye Laws of the Clearing Corporation and will attract penal action. Without prejudice to the foregoing, the Clearing Corporation may, within such time as it may deem fit, advise the Exchange to withdraw any or all of the membership rights of member including the withdrawal of trading facilities without any notice.

In the event of withdrawal of trading facilities, the outstanding positions of the member may be closed out forthwith or any time thereafter by the Exchange, at the discretion of Clearing Corporation, to the extent possible, by placing at the Exchange counter orders in respect of the outstanding position of the member without any notice to the member, and such action shall be final and binding on the member

9.7. Margins from the Client:

Members should have a prudent system of risk management to protect themselves from client default. Margins are likely to be an important element of such a system. The same shall be well documented and be made accessible to the clients and the Exchange/Clearing Corporation. However, the quantum of these margins and the form and mode of collection are left to the discretion of the members.

9.8. Close out of Positions

An online facility to close – out open positions of members, whose trading facility is withdrawn for any reason, is provided. On disablement, trading members may be allowed to place close-out orders through this facility. Only orders which result in reduction of existing open positions at the client level shall be accepted through the close-out facility in the normal market.

Apart from the above, members shall not be allowed to:

- Create any fresh position when in the close-out mode.
- Place close out orders with custodial participant code.
- Close out open positions of securities in trade for trade segment.

This facility does not dilute the powers of the Clearing Corporation to close-out under its Bye-Laws, Regulations and Circulars. Further the relevant authority may require the members to reduce/close-out open positions to such levels and for such securities as decided by the relevant authority from time to time.

9.9. Risk Reduction Mode

Member shall be compulsorily placed in risk reduction mode when 90% of the member's capital/limit is utilised towards margins. When a member moves in to risk reduction mode –

- All unexecuted orders shall be cancelled
- Fresh orders placed by members to reduce open positions shall be accepted.
- Fresh orders placed by members that increase open positions shall be checked for sufficiency of margins and orders that do not satisfy sufficiency of margins will be rejected
- Fresh orders can be placed for immediate or cancel (IOC) only
- Members will be able to trade in normal mode as and when the utilisation goes below 85%.

9.10. Pay-in of funds/securities prior to scheduled pay-in day

The relevant authority may require members to pay-in funds and securities prior to the scheduled pay-in day for funds and securities. The relevant authority shall determine from time to time, the members who shall be required to pay-in funds and securities prior to the pay-in day. The relevant authority shall also determine securities and funds which shall be required to be paid in and the date by which such pay-in shall be made by the respective member.

The member would be required to make early pay-in of funds and securities within the time specified by the relevant authority.

9.11. Imposition of additional margins

The relevant authority may require members to make payment of additional margins at any time on such securities and at such rates as decided from time to time. This will be in addition to the daily margins which are or may be imposed from time to time.

9.12. Dissemination of Client level Position to Member:

The Client Level Positions shall be disseminated to all members through the detail position report (PS03).

ITEM 10: CHARGES AND PENALTIES

In pursuance of Regulations 7.15, 7.16, 9.3, 9.5, 9.8, 9.9A, 12.14 and 15 of Capital Market Regulations the applicable penalties are hereby specified as under:

10.1. Funds Shortages

Members failing to fulfil their funds obligations by the scheduled date and time (all markets including the valuation debit raised on account of securities shortages) to Clearing Corporation shall be subjected to the following penalty structure:-

S. No	Type of Non-fulfilment	Penalty Charge % per day	Action

b)	Value less than Rs. 5 lakhs	0.07	If in the last three months, the member is short over Rs. 2 lakhs on six or more than six occasions, the trading facility of the member shall be withdrawn and the securities pay out shall be withheld*

*In case, the member is disabled on account of (b) above, on making good the shortage amount, the member shall be permitted to trade subject to its providing a deposit equivalent to its cumulative funds shortage as the 'funds shortage collateral'. Such deposit shall be kept with the Clearing Corporation for a period of ten settlements and shall be released only if no further funds shortages are reported for the member in next ten consecutive settlements. Members may further note that there shall not be any margin benefit or any interest payment on the amount so deposited as 'funds shortage collateral'. The amount may be provided by way of cash, fixed deposit receipts, or bank guarantee, equivalent to the cumulative funds shortage.

Recovery of funds due through liquidation of securities withheld:

The funds defaulting member will be allowed such time as may be permitted by the relevant authority depending upon the facts of the case to bring in the amount in default. If funds are not brought at any time by the defaulting member, the Clearing Corporation at its discretion will proceed to close out securities in the normal / auction market. If the member does not bring in the amount by the time permitted by the relevant authority, and continues to default thereafter, the relevant authority would be constrained to initiate suitable action including withdrawal of his trading facility, appropriation of his capital / deposits with the Exchange / Clearing Corporation and/or declare him a defaulter.

10.2. Securities Shortages:

Members failing to fulfil their securities deliverable obligations to Clearing Corporation shall be subjected to the following penalty structure:-

S. No	Type of Non-Fulfilment	Penalty Charge % per day	Action
(a)	Security Shortage	0.05	The amount of the shortage shall be considered as value of the security shortage valued at higher of previous two days close price

10.3. Margin Shortages

Following penalty shall be levied on a monthly basis in respect of margin violations

Instances of Disablement	Penalty to be levied
1st instance	0.07% per day
2nd to 5th instance of disablement	0.07% per day +Rs.5000/- per instance from 2 nd to 5 th instance
6th to 10 th instance of disablement	0.07% per day+ Rs. 20000 (for 2 nd to 5 th instance) +Rs.10000/- per instance from 6 th to 10 th instance
11th instance onwards	0.07% per day +Rs. 70,000/- (for 2 nd to 10 th instance) +Rs.10000/- per instance from 11 th instance onwards. Additionally, the member will be referred to the Disciplinary Action Committee for suitable action

Instances as mentioned above shall refer to all disablements during market hours in a calendar month. The penal charge of 0.07% per day shall be applicable on all disablements due to margin violation anytime during the day. The penalties shall be collected from the clearing member of the respective trading member. The concerned clearing member may in turn recover such amount of penalty from the concerned trading member.

10.4. Non-allocation / rejection of institutional trades

In case of rejection/non-confirmation of any institutional/non-institutional trades by clearing member a penalty of 0.10% of the unallocated / rejected / unconfirmed value or Rs. 10,000/- whichever is lower per settlement shall be levied.

ITEM 11: CORE SETTLEMENT GUARANTEE FUND

11.1. Core Settlement Guarantee Fund

4. In case of repo transactions, stamp duty will be levied on the Interest paid by the borrower on reverse leg of repo transaction.
5. Stamp duty calculation in Corporate Debt instruments will be done as per methodology specified as under. In case of change in methodology, the same will be specified by way of circular.
6. Stamp duty will be levied on the registered or unregistered buyer.
7. Participants/Custodians may note that the applicable State/Union Territory shall be determined with respect to the transaction executed based on the details maintained in CBRICS platform under 'Participant Details' tab. In case of any change in domicile state, the same needs to be updated on CBRICS by the participant. In case of FPI's the State/Union Territory of the custodian through whom the transaction is settled will be considered.
8. Participants will not be able to report/settle transaction on CBRICS unless a valid State/Union Territory is maintained
9. Registered participants while reporting deal for unregistered counterparty will be prompted to enter valid State/Union Territory of unregistered counterparty, if the same is not maintained in the CBRICS database.

Information to Participants/Custodians in CBRICS:

Clear & Settle view on CBRICS platform will display total consideration amount inclusive of stamp duty for every transaction. A new report will be available for Participants/Custodians displaying consideration and stamp duty levied for every transaction and the same shall be available for download.

Computation of stamp duty at transaction level:

1. Stamp duty will be computed on the consideration amount for each of the transaction.
 $\text{<Consideration amount> * Stamp Duty \%}$
2. In case of repo transactions, stamp duty will be levied on the Interest paid by the borrower on reverse leg of repo transaction.
 $\text{<Interest paid by the borrower> * Stamp Duty \%}$
3. The stamp duty amount so calculated will be rounded off to the nearest rupee i.e. value with 50 paise and above will be increased to one rupee and value less than 50 paise will be ignored.

Pay-in of funds:

Participants/Custodians will be required to pay the stamp duty, as part of and along with the consideration amount for every transaction settled on CBRICS platform.

Failure to pay stamp duty:

Non-payment of Stamp duty will be treated as fund shortage and the transaction will be cancelled and shall not be considered for settlement. Further the securities / funds received towards the pay-in obligation will be returned to the respective participants / custodians.

14.5. Collateral

14.5.1. Collateral Deposits by the Clearing Member

The collateral shall be towards the following requirement

i) Lending positions: Clearing Member desirous to enter into Lend Repo deals shall be required to provide collateral in the form of cash. Such collaterals shall be deposited upfront i.e. before submitting Lend Repo order on the TRM platform. Only those lend orders that satisfy the collateral requirement vis-a-vis cash collateral deposited by the Clearing Member shall be accepted.

ii) Borrowing position: Clearing Member desirous to enter into Borrow Repo deals shall be required to provide eligible corporate debt instruments as specified by Clearing Corporation from time to time. Such collaterals shall be deposited upfront i.e. before submitting Borrow Repo order on the TRM platform. Only those borrow orders that satisfy collateral requirement shall be accepted.

14.5.2. Guidelines for Submission of Deposits towards Collaterals

14.5.2.1. Cash

As per procedure provided in **Item 8**

14.5.2.2. Eligible corporate debt instruments as Collaterals

- Clearing Corporation shall specify the list of eligible securities which shall qualify for collateral contribution for borrow position. Clearing Corporation shall also specify the clean price, accrued interest and haircut applicable for the eligible securities.
- Clearing Corporation shall make eligible securities in-eligible based on parameters like corporate action, change in rating, minimum residual maturity etc. and such securities declared as ineligible shall not be reckoned for collateral contribution by the Clearing Members from the effective date of such ineligibility. Clearing Corporation shall make securities in-eligible 30 days before the corporate action date. Such in-eligible securities shall be made eligible again on the day following the corporate action date.
- Clearing Corporation may, at its discretion, specify the maximum amount of a single security or group of securities that a Clearing Member may deposit by way of collateral contribution;
- It shall be the responsibility of the Clearing Member to ensure that its exposures on the outstanding deals are fully covered by the value of the collaterals maintained by it with Clearing Corporation.
- Clearing Member shall be required to transfer the eligible securities as collateral to a DEMAT account of Clearing Corporation as specified in point 16.3.
- Securities issued by Clearing Member associates, subsidiaries, holding or group companies shall not be considered as eligible collaterals.
- Clearing Member shall be entitled to withdraw securities from its collateral contributions. Clearing Corporation shall allow such withdrawal of securities provided the remaining value of securities is sufficient to cover outstanding obligations of the concerned Clearing Member. The Clearing Corporation shall provide a facility to the Clearing Members to submit securities withdrawal request through CIM. For valid securities withdrawal requests, the securities shall be released in batches as decided by Clearing Corporation from time to time.
- Clearing Member shall be entitled to substitute securities deposited as collateral contribution with the eligible securities as specified by Clearing Corporation from time to time.
- Provided that such substitution shall be allowed only if the collateral requirement of the Clearing Member remains fully covered with the substitution of securities;

- Clearing Members shall monitor securities deposited as collateral to ensure that the securities due for redemption/corporate action are withdrawn before the redemption/corporate action date and substituted by eligible securities of equivalent value, if needed. In the event of Clearing Member not withdrawing such security, Clearing Corporation shall transfer such securities back to Clearing Members in their DEMAT account.
- The Clearing Corporation shall compute value the securities as under: “*Value of a security = (Clean Price + Accrued Interest) – Applicable haircut*”.
- For calculation of accrued interest, “Actual/Actual” day count convention shall be followed.
- The applicable haircut shall be the rating based haircut as prescribed by RBI or a higher haircut as specified by the Clearing Corporation from time to time. The haircut shall be as under

Tenor- Residual Maturity	Rating AAA	Rating AA+ and AA
Less than 1 year	10.00%	25.00%
1 year to 3 years	12.50%	35.00%
Greater than 3 years	15.00%	50.00%

- For a borrower who deposit AA+ and AA rated corporate bonds as collateral and fails to meet the obligations towards settlement and daily mark to market, the Clearing Corporation will attempt to liquidate the instruments and funds will be released to receiving counterparties post realization of liquidation proceeds. The affected counterparties will be compensated at 3 basis points per business day (calendar days in case holiday falls between business days) on the value of amount receivable by such counterparties
- In case the Clearing Corporation is not able to liquidate the security, then Clearing Corporation, at its discretion, shall allocate the securities to the lender/s. Such allocation may result in revision of obligation to the allocated lenders and accordingly any such revised obligation so arrived at shall be fulfilled. Any failure in fulfilling the revised obligation shall be considered as default and shall accordingly be handled as per the by-laws, rules and regulations.
- Clearing Corporation may prescribe additional prudential norms for limits in respect of the eligible securities. The prudential norms will include participant-wise and market wide limits at issuer level and/or issue level as specified from time to time.
- Clearing Corporation may prescribe clearing member wise borrowing/lending limits from time to time

14.5.3. Collateral Requirement:

14.5.3.1. Collateral requirement for Lending

- The margin rates for Repo deals shall be arrived at based on Value at Risk or such other model as may be decided by Clearing Corporation from time to time and the resultant factors shall be expressed as a percentage of the face value of the repo transaction. Clearing Corporation may set different margin rates for Repo deals having different maturity periods.
- The margin obligations for Repo deals of a Clearing Member shall be computed by multiplying the net position of each maturity with the corresponding margin rates as applicable for the Clearing Member and then aggregating the margin obligations.

- To begin with the margin rate applicable for Lend Repo deal shall be 0.50% on the Lent amount.
- The collateral blocked shall be the margins applicable to the extent of net lend position for each maturity date within the each eligible security / basket as decided by Clearing Corporation from time to time.

14.5.3.2. Collateral requirement for Borrowing

- The Collateral required for Borrowing shall be the borrowed amount plus the repo interest payable at the forward leg i.e.
 - $\text{Forward leg obligation} = \text{Ready leg obligation} + \text{Repo Interest}$
 - $\text{Repo interest} = \text{Ready Leg value} * \text{Repo tenor} * \text{Repo rate} / 36500$
 - The repo interest shall be computed based on Actual/365 day count convention
- The collateral blocked shall be to the extent of net borrowed position at the forward leg for each maturity date within the each eligible security / basket as decided by Clearing Corporation from time to time.

14.5.4. Collateral Revaluation

- The securities deposited by the Clearing Member towards collateral contribution shall be subjected to daily valuation;
- In the event of net value of such securities, falling short of the outstanding borrowing position of the Clearing Member, Clearing Corporation shall make a margin call on such Clearing Members ;
- Clearing Corporation may require Clearing Member to provide additional collaterals, in case of a sudden increase in volatility of interest rates/ securities prices or downgrade of securities rating. This may be done by an increase in the haircut for a specified security/(ies) The additional collateral shall be subject to:
 - Outstanding position of a Clearing Member; and/ or
 - Securities contribution to Collateral;
- Clearing Corporation may impose such additional collateral requirement at any time during the day. As such, the Collateral balance of the Clearing Members may be reduced to the extent of increase in the hair cut in respect of their outstanding positions
- Upon changes in haircut, if it is observed that the Collateral balance of a Clearing Member is inadequate to cover the requirements on account of existing borrowing / lending by the Clearing Member, it shall be the responsibility of the said Clearing Member to replenish the shortfall as directed by Clearing Corporation.
- Failure of the Clearing Member to provide additional collateral shall be treated as a violation and shall be dealt with accordingly.

14.6. Early Pay-in of Funds

- Clearing Members with forward leg borrow payable positions are permitted to provide Early Pay-in of funds. However, this facility is available only on the settlement day.
- Early Pay-in of Funds shall be provided through the Collateral Interface for Member (CIM).
- On successful confirmation by the Clearing Banks on availability of funds, the blocked collateral of the Clearing Member shall be freed up to the extent of early pay-in received

14.7. Rollover of Borrow Positions

- Rollover can be done on the forward leg settlement day for the original borrow positions payable
- Rollover can be done for the tenor which may be same or different from the original transaction.
- Collateral shall remain blocked till the settlement of forward leg of the rollover position.
- In case if the rollover order requires any additional collaterals, then such order shall only be accepted if additional collaterals are available.

14.8. Core Settlement Guarantee Fund (Core SGF)

Clearing Corporation shall establish a dedicated Core SGF for Tri-party Repo. The details of such dedicated Core SGF shall be communicated by Clearing Corporation
