

Assaying Charges

Testing Charges for Conducting Testing at Site:

Commodity	Base Delivery Center	Site Visit Charges (Per Day Per Visit)	Additional Charges
Aluminium	Raipur	₹12,000/-	Transportation @ actuals
Lead	Chennai	₹12,000/-	
Nickel	Thane	₹10,000/-	
Zinc	Thane	₹10,000/-	
Copper	Thane	₹10,000/-	

Note for Conducting Testing at Site:

Aluminium* cannot be tested on-site using any portable instrument. In such cases, our visiting inspector will collect the required samples while conducting inspections for other commodities (if applicable) at the same warehouse. These samples will then be tested at our TCR Mahape Lab, and the applicable lab testing charges will be applied accordingly.

Testing Charges for Conducting Testing at TCR Mahape:

Commodity	NABL Accreditation	Charges (Per Specimen)	Test Location
Aluminium	NABL Accredited	₹1,400/-	TCR Engineering Services Pvt. Ltd VKB House, #EL-182, MIDC-TTC Electronic Zone, Mahape, Navi Mumbai - 400710, India
Lead	Non-NABL	₹2,600/-	
Nickel	NABL Accredited	₹1,400/-	
Copper	Partial NABL	₹1,400/-	
Zinc	Non-NABL	₹2,600/-	

Note for Conducting Testing at TCR Mahape:

The charges mentioned above for each commodity cover the analysis of up to 10 elements. Any additional element or an increase in the number of elements will result in a revision of the charges accordingly.
